

BLITZ : A TERRIFIC YEAR-END

EXPOSITION

Monaco, October 6, More and more popular among readers, *Blitz* offers a highlighted end of year.

In addition to the release of volume 8 on October 21, 2022, still awaited by fans, *Blitz* will benefit from an exceptional spotlight with an exhibition entirely dedicated to its universe.

The *Blitz* Origines exhibition, exclusively in Nice

Blitz Origines will be at the Louis Nucéra Library, in Nice, from October 21 to December 23, 2022. This is a real acknowledgement for the entire team!

This exhibition will allow the visitors to discover *Blitz*'s debuts and enjoy the original storyboards drawn by Daitaro Nishihara, exceptionally brought from Japan for the occasion.

They will also discover a behind the scenes with the manufacturing process of our manga made in Monaco with its hard color proof references, offset printing plates, the release form for printing and many other surprises...

About Volume 8

This new volume will bring answers to some mysteries hold since the beginning of the adventure while developing new ones. This permanent intertwining plots is *Blitz*'s strength. The continuous questioning of our heroes contributes to suspense, which gives rhythm to the manga, in order to keep the readers on the edge of their seats. The introduction, in each volume, of new characters particularly worked in details by the authors allows to keep a certain freshness in the script. Our hero, Tom, faithful to his own habits, is going to find himself in difficult situations, which must eventually allow him to progress in the so particular chess world. **Watch the trailer [HERE](#)**
